The prices for full grooms by breed are a guide. Your needs and the **PET'S CONDITION ULTIMATELY DETERMINE THE PRICE.** Please consult with your grooming professional to better determine what suits your and your pet's needs.

***DEMATTING, EXTREMELY THICK COATS, AND FLEA BATHS** all require more time and will be an extra fee depending on the severity of the case. The Pampered Pooch and Pals reserves the right to refuse any pet who we feel would be better served by a medical professional.

Arriving at your appointment time and picking up when your pet's groom is complete is vital as we do not hold pets for unnecessarily and possibly stressful long periods.

Please inform us of age and health related issues or known stresses that your pet has experienced while grooming. We want your pet to have the best experience possible!

Prices are subject to change without notice.
